21 December 2006

Dear Rob

Thank you so much for everything you have done for Dom this year. You have been friend, guide, mentor, stick waver, confidante and teacher, but to name a few of the vital roles you have played.

Dom has blossomed this year and it is important to recognise the substantial role you have played in his development. We have appreciated the time you have taken to notice Dom and to help nurture his talents and sense of self belief.

You are a great teacher. Fendalton School is blessed to have you.

Please keep in touch. All the best for the Christmas break with your family. We hope that 2007 is a wonderful year for you.

Kind regards

Nettles and Brian Lamont
